Wireless N 150 Pico USB Adapter

Features

Connectivity

- Easy wireless connectivity for your notebook or desktop computer
- Compatible with IEEE 802.11n and 802.11g devices including game consoles and digital media players

Compact and Portable

- Take the power of Wireless N with you wherever you go
- Instantly add Wireless N capabilities to any computer with a USB port²

Connect to a high-speed wireless network with the D-Link Wireless N 150 Pico USB Adapter. The DWA-121 uses Wireless N 150 technology which provides increased speed and range over the 802.11g/b standard, giving you a faster, more reliable wireless connection. With speeds of up to 150 Mbps, this is an excellent, affordable solution for everyday activities such as transferring files, browsing the Internet, and downloading multimedia.

Compact and Convenient

Add Wi-Fi to any device. This discrete Wireless adapter slips into any USB port for plug and play convenience. The small form factor ensures that your devices get wireless access without bulky antennas or large dongles. Simple installation makes any device a mobile device. D-Link's Quick Setup Wizard provides easy setup of your USB adapter so you can get connected quickly. Add Wi-Fi to computers and connected devices without hassle.

Wide Compatibility

The DWA-121 provides a high-speed connection to other Wireless N150 or 802.11n devices and is backward compatible with 802.11g/b, ensuring compatibility with a wide range of wireless routers and networks.

Order Information

Part Number	Description
DWA-121	Wireless N 150 Pico USB Adapter

¹ Maximum wireless signal rate derived from IEEE standard 802.11n specifications. Actual data throughput will vary. Network conditions and environmental factors, including volume of network traffic, building materials and construction, and network overhead, lower actual data throughput rate. Environmental factors may adversely affect wireless signal range.

² Using a USB 1.1 port will affect device performance. USB 2.0 port or higher recommended.

All references to speed and range, including the performance chart, are for comparison purposes only. Product specifications, size, and shape are subject to change without notice, and actual product appearance may differ from that depicted on the package. See inside package for warranty details.
